Homeless Services and Supports Coordination for Youth (HSSCY)

- New supportive service program designed to help young adults experiencing homelessness to navigate systems, obtain stable housing, and ensure their voice is heard.
- HSSCY was designed for and by young adults ages 18-24. The program is voluntary and offers the opportunity for a young adult to be paired with a navigator who will serve as a consistent point of contact before and after they obtain permanent housing.
- HSSCY Navigators are former Youth Support Partners that will help youth identify strengths and goals and provide direct support to help overcome housing barriers. Once a youth is housed, Navigators provide follow-up and direct support with housing stabilization and other life goals, such as education, employment and social connections. Navigators also help youth advocate for their needs.
- Housing access and stabilization is a key goal of HSSCY, but this is not a housing program. Navigators work in close coordination with shelter, street outreach, housing providers, and other professional supports the youth may be working with.
- The program launched last month and is currently taking referrals. Eligible youth include those who are least 18, and no older than 24, at time of referral and currently experiencing homelessness. To make a referral, please contact Jake Hirsch, program supervisor, at jacob.hirsch@allegHENYcounty.us.

Youth Support Partners: Now Hiring!

Interested candidates can send along a cover email/resume to Amanda Hirsh at dhs-yspadmin@alleghenycounty.us or apply directly through the Great Lakes/DCM website at www.greatlakesresearch.com.

Also:

KidsVoice is in need of community service placements for youth with summary charges. Unfilled volunteer positions are a great fit. If interested in hosting, please reach out to KidsVoice directly at info@kidsvoice.org.

Kudos

<https://www.kudoboard.com/boards/CpL49xOS>

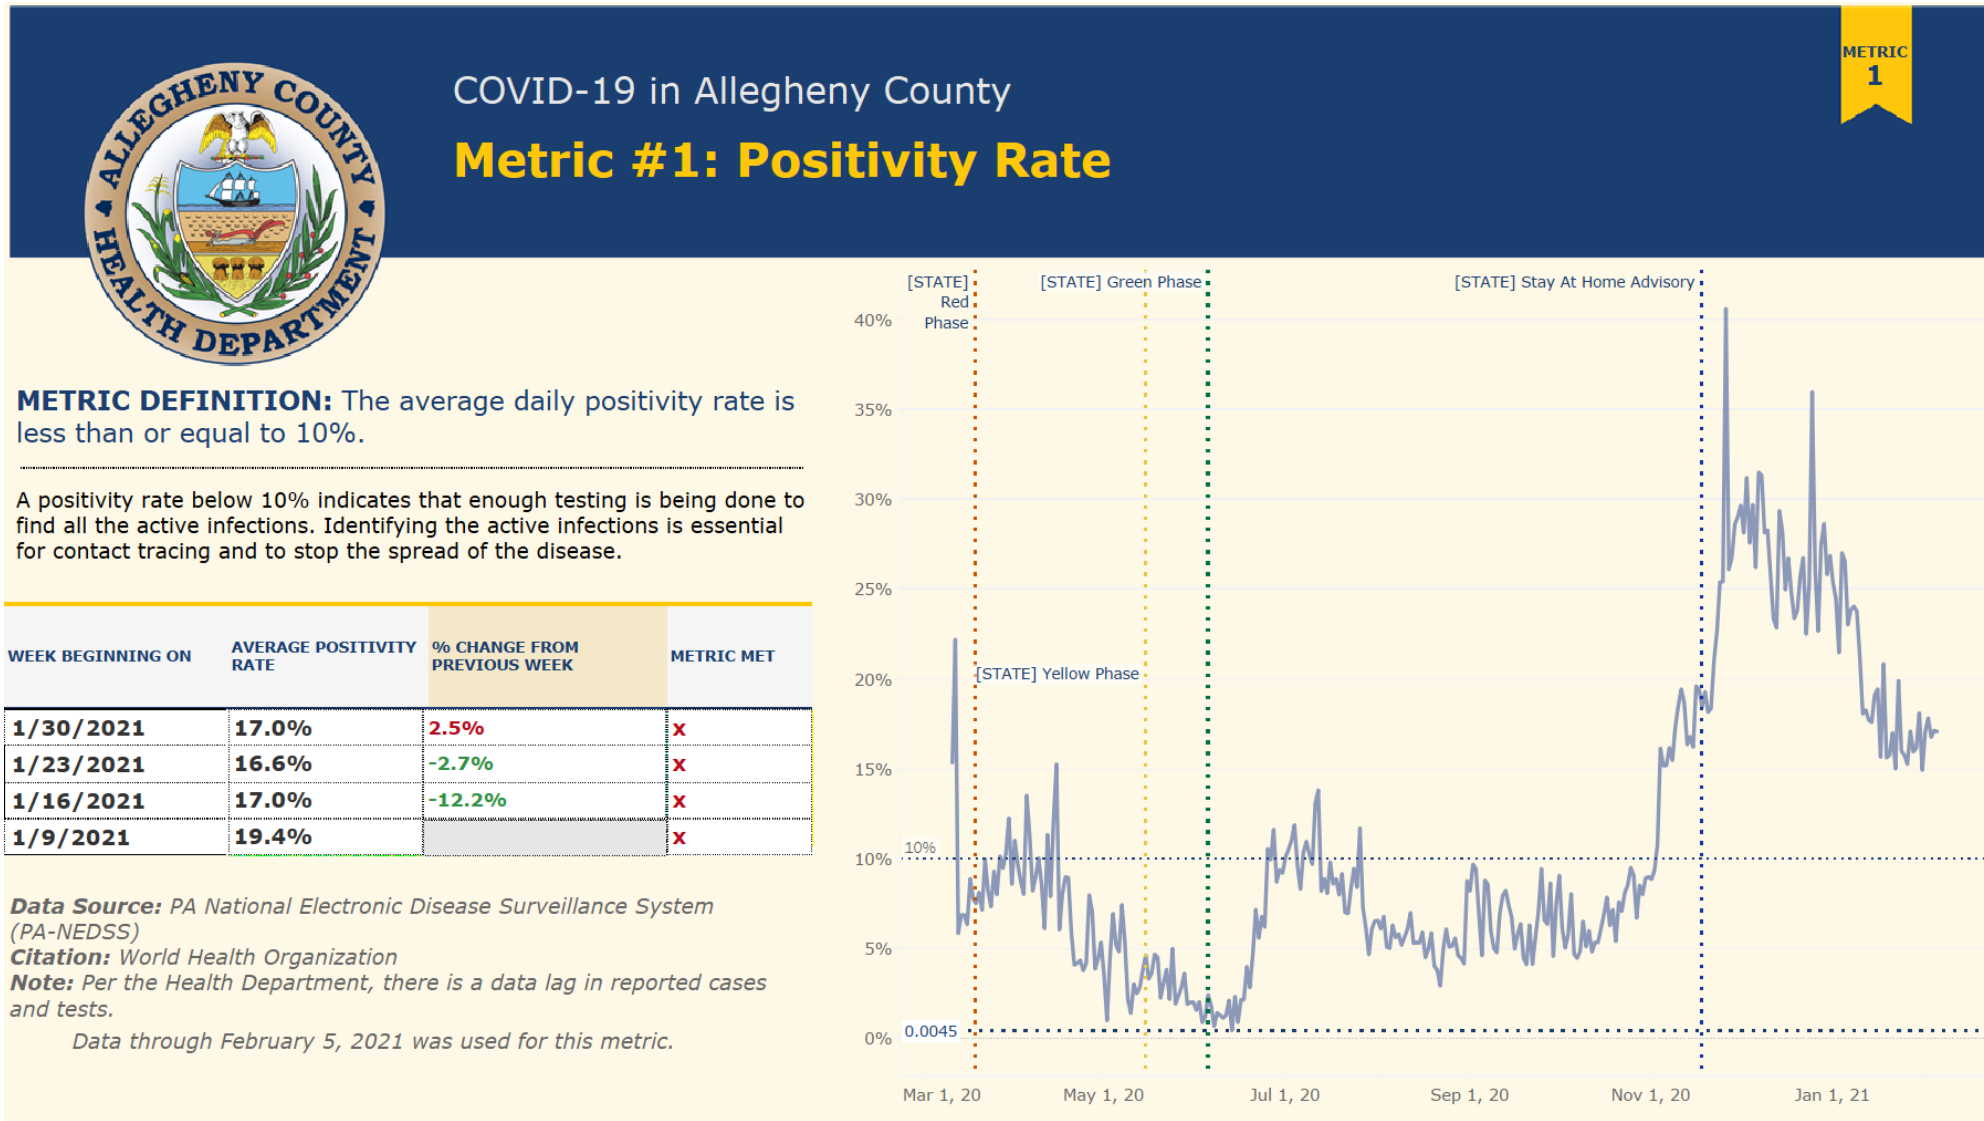

- THANK YOU to all of the street outreach, LINK, shelter, and housing staff throughout the CoC. Now more than ever individuals have needed your assistance and you have delivered! THANK YOU THANK YOU THANK YOU! Christy Pietryga
- A huge shout out to Sherry Rorison and her team at Light of Life. They continually offer their resources to clients and other providers. Sherry's given so much support to the clients at the Safe Haven in offering multiple donations of food supplies, clothing, and warm winter gear. We are so grateful for your giving spirit and generosity!!!
- Here's to **Craig Laffey and Jamar Foulks** with CHS at the Home 2020 shelter site. They have endured some extremely challenging situations at that site, and have done so with aplomb and perseverance. They address problems in a constructive and solution oriented way, and with insights that are as unique as they are wise. I am constantly impressed by their dedication to support the people that come in and out of their project, and they are the glue that keeps that site together.
