

Allegheny County
Department of
Human Services

DHS Provider Briefing

June 10, 2021

*The briefing will be recorded and posted on [Allegheny County Analytics](#).

Agenda

- Current and Upcoming Opportunities
- Policy Updates
- Trauma Informed PA
- DHS Trauma Think Tank
- Q&A
- Resources

Opportunities

Active Solicitations

RFP for the Operator of the Low-Barrier Shelter and Drop-In Center at Second Avenue Commons

- Proposals are due at 3 p.m. on Friday, June 25
- New deadline for questions is 3 p.m. Eastern Time on Thursday, June 17! (1 day earlier than originally scheduled because the Juneteenth holiday will be observed on Friday, June 18)

RFI for a Racial Equity Training and Support Directory

- The quarterly submission deadline in June is coming up on Tuesday, June 15 at 3 p.m.

[Link to DHS Solicitations](#)

Older Youth Pandemic Relief Application Open Now!

- Allegheny County received \$3.7 million in additional, one-time Chafee funds through the Consolidated Appropriations Act, intended to be used as direct assistance for eligible youth
- We need your help reaching eligible young adults!
 - Share information with eligible young adults! Visit our **Partner Toolkit** on the [website](#) to find a flyer, palm card and social media graphics
 - Ask young adults to visit the [website](#), where they can apply for the money and learn about resources

Program website youthpgh.org

**Are you a
young adult
in Allegheny
County?
Get money to
help you during
the pandemic.**

You can get cash assistance if you're between 18-26 years old and have been involved with Allegheny County Children Youth and Families.

Key messages to share with young adults

- **If you're eligible for the program, claim your money.** You don't need to identify as struggling and there are no restrictions on how you spend the money. This is free money. This is not a scam.
- **It's important to apply ASAP.**
 - Applications will be accepted on a rolling basis until the money is spent. Age flexibilities in the law only last through September, so DHS plans to have all the money spent by then.
 - Once you turn 27, you are no longer eligible.
- **The first payment is \$1,000. There will be more than one payment.**
- **Provide accurate contact information and CHECK YOUR EMAIL.**
 - If you don't confirm your email address with PayPal within 30 days, your money will be sent back to Action Housing.
 - You'll get email updates about your application, so you know what's going on. You do not need to apply more than one time.
- **If you don't know where to turn, contact KidsVoice resource warmline at 412-391-3100.** They can help get you connected to resources.

Application and Payment

1. Go to online application: Apply Now (yellow button) on youthpgh.org
2. Answer a few questions to verify your identity
3. Choose preferred payment method: PayPal, mailed check, or check pickup
4. Take the optional survey (answers won't affect your payment)
5. Check your email for updates about application status
6. Receive the first payment of \$1,000 within 7 business days
7. Choose how to spend or save the money!

Check out the resources on the website to help you decide how to use the funds. Don't forget that Opportunity Passport matches up to \$5,000!

Summer Programs

- You can search for summer programs at alleghenysummerncamp.org

As restrictions change across Pennsylvania during our community's response to COVID-19, please use AlleghenyChildCare.org in adherence with our [COVID-19 guidance](#).

BROUGHT TO YOU BY

Allegheny County Housing Authority

Public Hearing

- ACHA holding public hearing on changes to Admissions and Continued Occupancy Policy and Section 8 Administrative Plan on **Friday, June 25th at 10:15 a.m.**
 - Date has changed from 6/18 to 6/25
- Proposed changes reflect ACHA's work with the Vera Institute of Justice, along with DHS, to reduce barriers to public housing for people with criminal records
- Review the draft documents and find details of hearing here: <https://www.achsng.com/publicdocs.asp> Attend hearing in-person or virtually, and/or submit comments ahead of time via email

Policy Updates

Policy Updates - State

- **PA House voted to end governor's pandemic disaster declaration on Tuesday**
 - Bill is currently being considered by the state Senate, which has indicated it will amend to allow some disaster declaration health regulations to continue
 - If the House bill is passed unamended, suspensions or waivers of state regulations by the disaster declaration would end unilaterally.
 - Would end waiver for work-search requirements impacting hundreds of thousands of people who collect unemployment benefits and stop the administration's use of emergency procurement procedures.
 - Other than a masking order, all mitigation orders have already been phased out, and the administration has already outlined a schedule for resumption of work-search requirements. Much of what the House bill seeks to remedy has already occurred via executive action.

Policy Updates - State

- **On Tuesday, Gov. Wolf called on the General Assembly to increase basic education funding by \$1.35 billion for the next fiscal year**
 - This would include a \$1.15 billion increase through the state's [*Fair Funding Formula*](#), which allocates new school funding based on a district's wealth and student needs.
 - The proposal is one of multiple education initiatives included in Gov. Wolf's 2021-22 Budget, along with charter school reforms and proposed increases in pre-K and special education funding.
 - Gov. Wolf planned to pay for this investment with a tax increase, but now says that the state's budget surplus and American Rescue Plan (ARP) allocation are sufficient to fund the increase.
 - Unclear if the Republican-controlled General Assembly will approve the request; they continue to advocate for spending the revenue surplus and ARP funding with caution.

GPNP

Greater Pittsburgh
Nonprofit Partnership

Colleen Young, MSW

Director

Colleen@forbesfunds.org

PA Budget Advocacy

- PA has \$3B surplus – majority from expanded FMAP
- American Rescue Plan State Fiscal Recovery = \$7.3B
- Despite over \$10B increase, little increased spending expected
- PA budget draft expected from Republican controlled General Assembly on June 16.
- Budget has to be signed by Gov. Wolf by June 30.
- Wolf expected to sign if education budget is sufficient.
- “No sense of urgency to use stimulus more quickly”

Nonprofit Impact Numbers

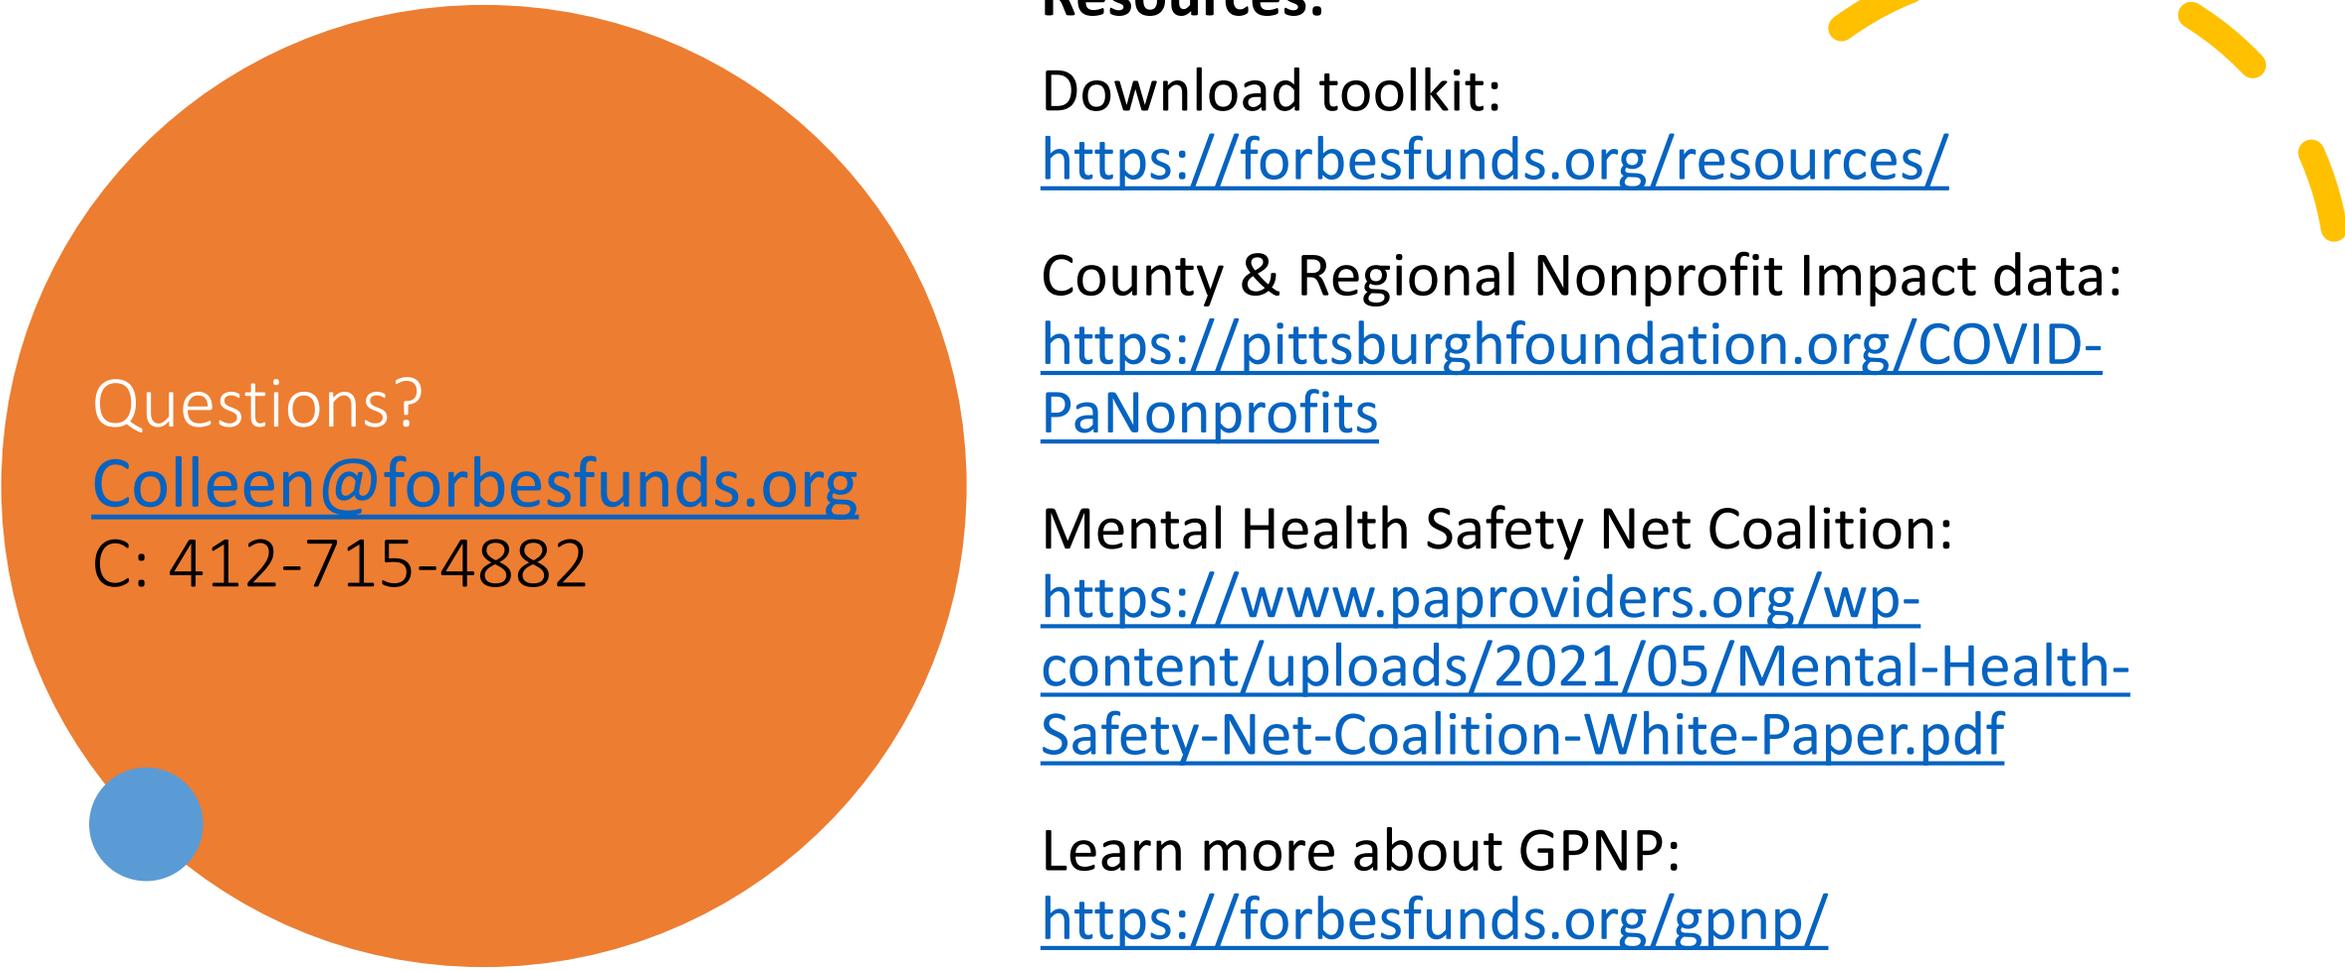

- PA: 807K employees; \$116.7B annual revenue; provide critical services to millions of PA residents
- 87% of nonprofits experienced negative financial impact during COVID
- Nonprofit recovery expected to take 36 months (compared to 12-18 mo for business community)
- Pittsburgh Foundation: \$708M economic loss (only 2% of PA nonprofits) – Aug 2020
<https://pittsburghfoundation.org/COVID-PaNonprofits>
- \$60K nonprofit workers unemployed as of Dec 2020; unemployment claims rose 442% (\$10.9M) from March 2020-Feb 2021.

Action Alert

- Contact state lawmakers now!
- Focus on Republican lawmakers, especially leadership.
- Work with your board, volunteers, and donors who may live in R controlled districts
- Tell your story: what is the impact to your organization & community?
- Real numbers to share: lost revenue, increased need, unemployment

Collaborative asks

- \$200M for NEEDS legislation – one-time grants for human service orgs, no caps on staff size, up to \$500K (HB 1116; SB 594)
- \$100M for COVID-19 Nonprofit Assistance Grant Program (HB 347)
- Unemployment claims relief for nonprofits: 100% reimbursement.
- Specific asks by issue (housing, food, behavioral health, etc.)

Trauma Informed PA

Dr. Dan Jurman, Executive Director: Office of Advocacy & Reform
Office of Governor Tom Wolf

OFFICE OF THE GOVERNOR

Office of Advocacy & Reform

Trauma-Informed PA:

A Plan to Make Pennsylvania a Trauma-Informed, Healing-Centered State

Dan Jurman, MAR – Executive Director

Why Trauma-Informed PA?

The prevalence of trauma is intertwined with some of our largest community challenges.

Poverty

Racism

Poor Physical Health

Poor Mental health

Barriers to Workforce Development

Crime

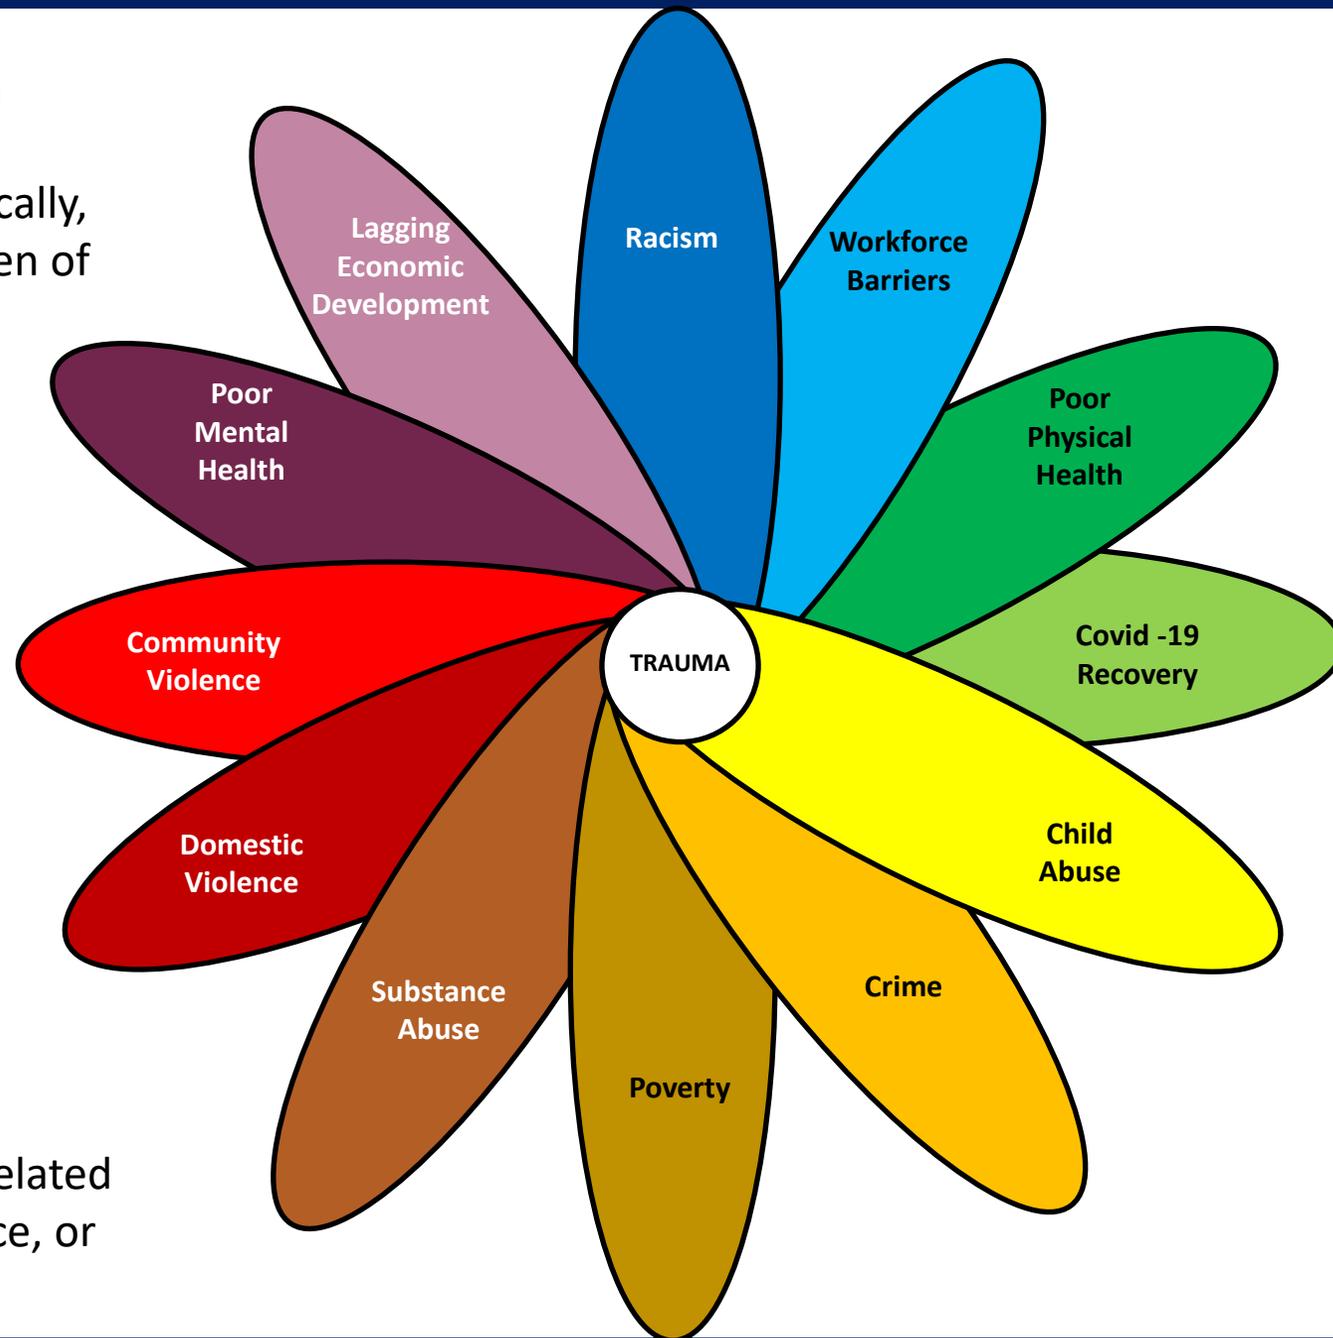

Substance Abuse

Child Abuse/Domestic Violence

Community/Economic Development

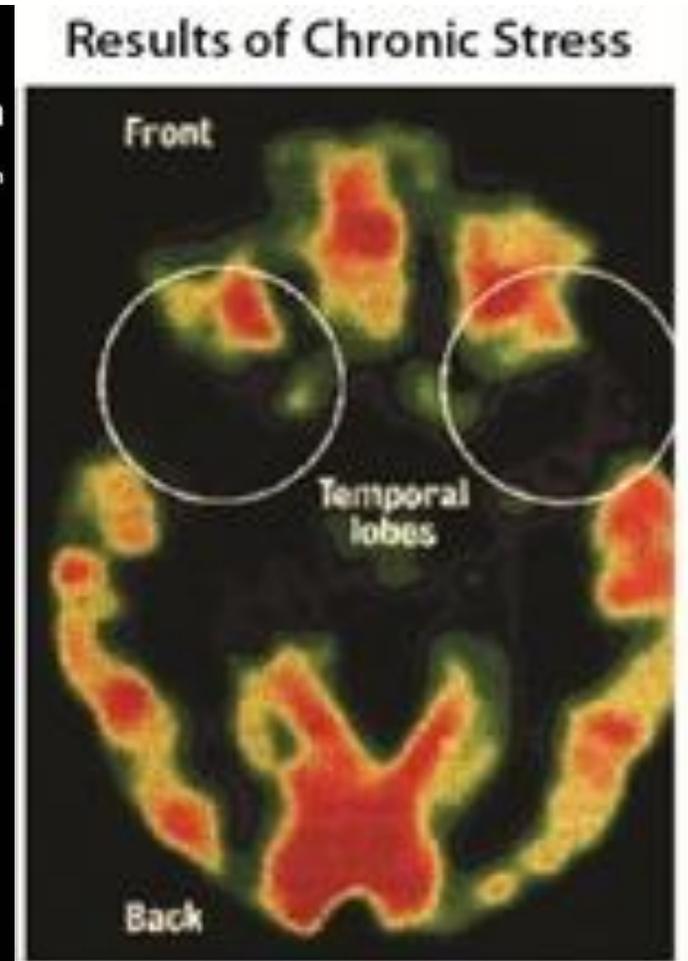

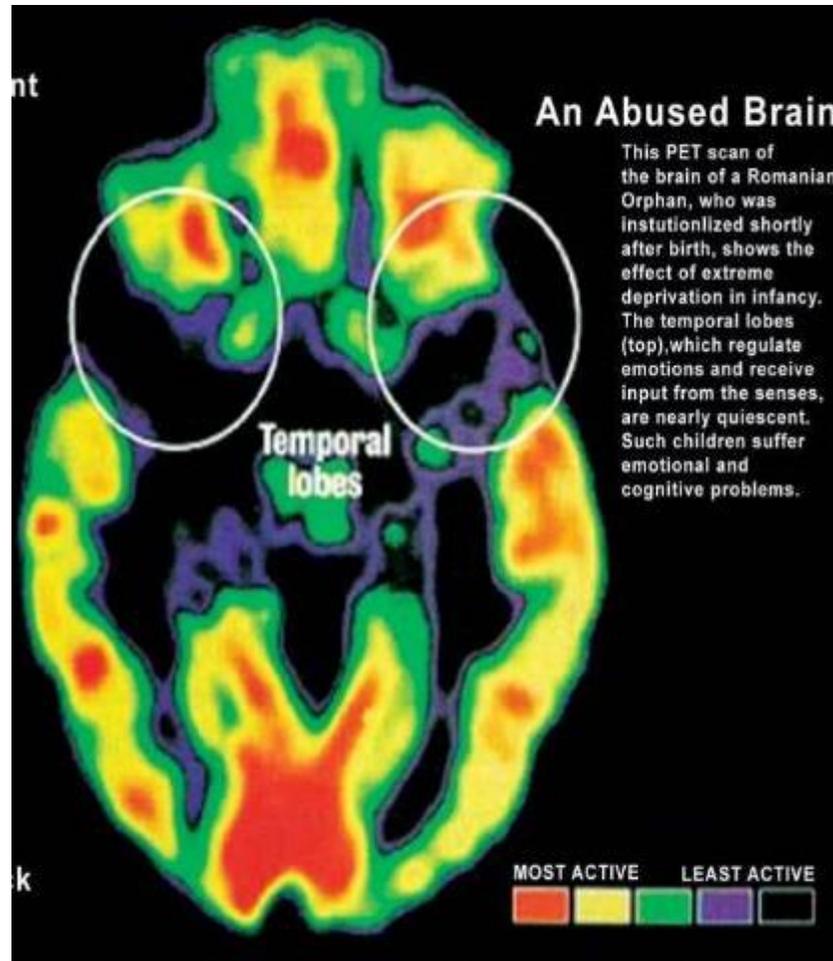

Covid-19

Syndemic: A set of linked health problems involving two or more afflictions, interacting synergistically, and contributing to excess burden of disease in a population.

Syndemics occur when health-related problems cluster by person, place, or time.

The Brain Treats Chronic Stress, Scarcity, and Abuse / Dangers in Similar Ways

Our Approach

Formation of Trauma-Informed PA Think Tank

An Outside Perspective from Experts in the Field

68 Applicants – 25 Selected Members

Virtual meetings from March through June focused on:

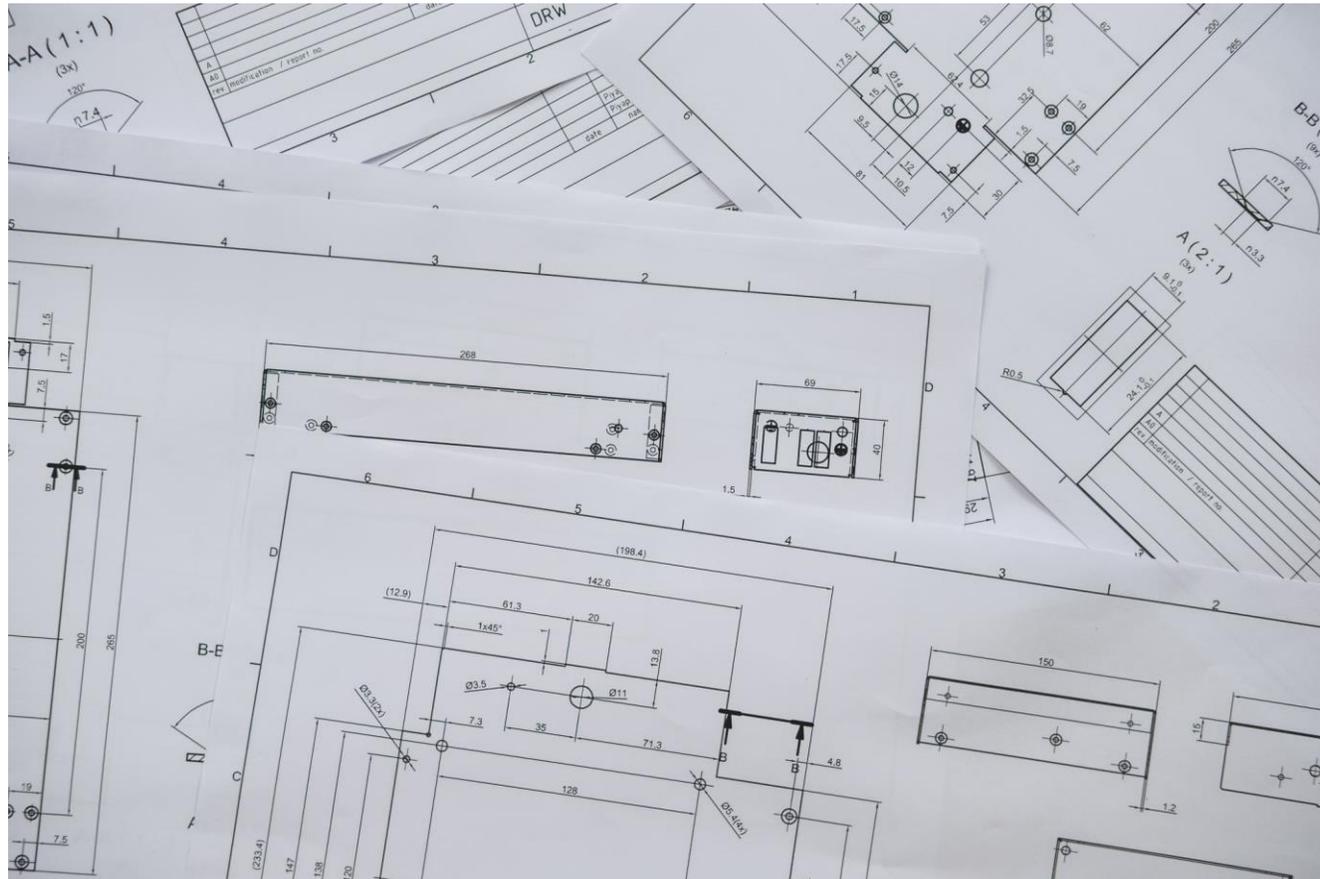

- Defining the terms we would be using as a commonwealth to ensure we were all speaking the same language.
- Setting mission, vision, and values for the effort.
- Building a network to connect and support community-based, grassroots movements across the commonwealth.
- Prioritizing changes at the state level to affect culture, policy, and practice.
- Healing from the trauma of a major disaster like the Covid-19 pandemic.
- Healing the damage of racism, communal, and historical trauma.

State agency staff from DHS, OMHSAS, PDE, and DOH helped to edit the plan.

Phase One was putting these concepts into a plan that is both aspirational and actionable.

The Plan

Recommendations Structure

A. State Government

1. Culture

- a) Training*
- b) Job Descriptions*

2. Policy

- a) Retraumatization*
- b) Prevention*
- c) Healing*

3. Licensing

- a) Continuum*
- b) Retraumatization*
- c) Prevention*
- d) Healing*

B. Community-Based, Grass Roots Movement

- 1. ACEs Connection
- 2. Community-Based Coalitions
- 3. Free Training and Technical Support
- 4. Annual Summit

C. Communal Trauma

- 1. Racism, Discrimination, and Disproportionate Minority Contact
 - a) Core Causes*
 - b) Creating Safe Spaces*
 - c) Incentivize People Who Have Experienced Racism and Discrimination to Become Healers*

- d) Eliminate Policies and Practices that Retraumatize*
- e) Shifting from Unnecessary Levels of Policing to Social Work, Therapy, and Healing*

2. Natural Disasters, Crisis, and Public Health Emergencies (Learning from Covid-19)

- a) Understanding Where We Are During Crisis*
- b) Healing What We've Been Through*
- c) Building on Empathy*

Recommendation Highlights

Actions Already Underway

Insurance Parity

Telehealth Coverage

Resource and Referral Tool

Living Minimum Wage

Broadband Access

Anti-Stigma Campaign for Mental Health

Training to Change Our Culture

We recommend that all state employees and the employees of all licensed, contracted, and funded entities be required to at a minimum successfully complete a Trauma-Informed Care introductory training.

We likewise have recommendations for training for police officers, judges, parole officers, social workers, etc.

Licensure Based on People

We recommend that we reimagine how we license and review facilities through the lens of building trauma-informed cultures based on the latest scientific knowledge, as opposed to cultures focused on compliance and liability. This would include licensing based on customer feedback, measures of quality of care, positive relationships, access to treatment, physical safety, and positive outcomes.

3800 Regulations and 3700 Regulations

Expanding Our ACEs Definition

We recommend expanding the list of Adverse Childhood Experiences the commonwealth recognizes to include the list of expanded ACEs laid out in *Adverse Childhood Experiences: Expanding the Concept of Adversity* as well as one ACE recommended through our work. They include:

- Witnessed violence
- Felt discrimination and bigotry
- Lived in an unsafe neighborhood
- Experienced bullying
- Lived in foster care or another youth congregate care setting
- Experienced poverty for an extended period of time

Child Abuse as a Public Health Crisis

We recommend the Governor and the Secretary of the Department of Health declare child abuse and neglect a public health crisis.

How much worse will this problem be when we emerge from Covid-19?

Requiring the Evolution to Trauma-Informed and Beyond

We recommend the PA continuum from **Trauma-Aware**, to **Trauma-Sensitive**, to **Trauma-Informed**, to **Healing-Centered** be employed to guide all state agencies, offices, licensed, contracted, and funded entities in the steps and requirements to become trauma-informed and healing-centered.

This was already in development by DHS (OMHSAS & OCYF)

Getting to the Heart of Racism and Discrimination

We recommend that each community identify safe spaces to have conversations about racism, reconciliation, and healing led by entities that are run by African Americans, Latinos, LGBTQ+ individuals, and other ethnic and religious groups that have experienced hate and discrimination.

Connect People to Each Other and Healers During Crisis

We recommend the creation of targeted, temporary support groups in communities that have experienced trauma as well as chronic and toxic stress due to natural disasters, crisis, and public health emergencies.

HEAL PA

RESILIENT PA
GROWING AND FLOURISHING TOGETHER

HEAL PA Action Teams

Action Teams will meet monthly and will need to elect co-chairs annually or as needed. Co-chairs must also serve on the Leadership Team in order to make sure there is close coordination of efforts with no duplication or silos. These teams will be made up of former think tank members, think tank candidates, state agency representatives, and other community members with knowledge or expertise that helps each team reach its goals. Co-chairs will also be responsible for working to find ways to involve practitioners and regular citizens affected by each team's purview in membership as appropriate.

Universal Teams -

Community Outreach and Communication Action Team - creating clear communications and facilitating outreach opportunities in communities across the commonwealth. Serves as a support to all other action teams for their communication and outreach needs and should be composed of at least two to three communications professionals.

Policy and Legislation Action Team - advocating for policy changes and legislative changes to support the plan. Serves as a support to all other action teams for their legislative advocacy needs and should be composed of at least two to three advocacy professionals.

Development Action Team - taking advantage of opportunities to apply for grants or engage major donors who can move strategies in the plan forward. Serves as a support to all other action teams for their grant writing needs and should be composed of at least two to three development/grant writing professionals.

Data and Evaluation Action Team - helping to gather pertinent data and stats on trauma/ACEs for distribution, evaluate the success of any intervention through use of data, and serve as consultants to orgs that want to evaluate programs and initiatives.

Targeted Teams -

Training Action Team - assisting with training strategies and vetting training partners as well creating a pool of volunteer trainers to help us keep training free for agencies and communities without resources.

Education Action Team - focusing on our education-based recommendations and supporting our early education settings, K-12 schools, and colleges to become trauma-informed and healing centered.

Racial and Communal Trauma Prevention Action Team -
focus on not only on healing the trauma of racism and
discrimination, but also getting to the heart of what
causes this behavior and working to prevent it.

Criminal Justice Action Team - work to improve criminal justice outcomes through trauma-informed and healing-centered practices as well as supporting re-entry and prevention activities.

Poverty Reduction Action Team - work to break the cycle of trauma and poverty by supporting upstream solutions to eliminate poverty and advocating to eliminate structural policies and practices that criminalize poverty.

Business Involvement Action Team - working with chambers of commerce, workforce development, and businesses to understand the impact of trauma on recruitment, retention, and productivity and what role the private sector can play in improving these outcomes.

Child Abuse Prevention Action Team - helping to coordinate the child abuse prevention campaign laid out in the plan and planning out the response that would/should follow child abuse being declared a public health crisis.

Organizational Support Action Team - providing technical assistance to organizations attempting to move along the continuum from trauma-aware to healing-centered.

Physical and Behavioral Health Action Team - working to educate providers and bring more trauma-informed screening, healing, and prevention practices into primary care and hospitals.

Early Wins -

- **OMHSAS/OCYF - Working on TIC Licensing with TIPA continuum**
- **OAR - First recorded training tested (working to make public)**
- **PID - Working on parity and telehealth (NGA)**
- **DHS - RISE PA tool in procurement**
- **Governor Wolf - \$368.7 million for broadband access**
- **PDE - ACEs related questions will be in YRBS survey**
- **Universal Healing strategy coming out of NGA collaborative**
- **AG/OAR - PATIN page on ACEs Connection with partners**
- **Governor Wolf - Dismantling Systemic Racism Task Force**
- **Legislature - TI training for law enforcement Title 53, Sec 2164, (18)**
- **Legislature - Enhanced de-escalation training Title 53, Sec 2164, (6)**
- **Community Conversations starting in fall**
- **OAR - Actively advocating for funding and policies based on TIPA**

Trauma Think Tank

Joe Martin, DHS Trauma Think Tank

Joined by: Madeline Sample, POWER and Mark LeVan, Pressley Ridge

DHS
trauma
think tank

Who are we?

A cross-system collaborative of providers, DHS Staff, and family members

Our Mission:

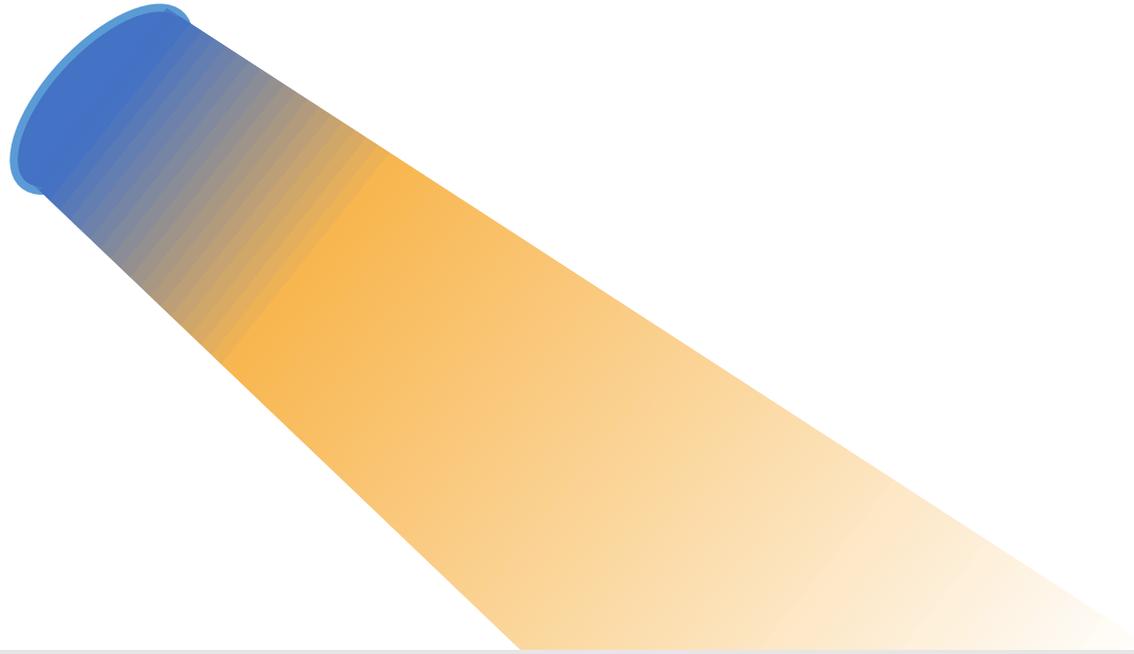

Enhance our understanding of trauma and its impact, and foster collaborations that promote a trauma-informed organizational approach

Our sessions:

Bi-Monthly sessions feature guest presenters, resource sharing, group brain-storming and resource development.

Just a few of the TTT's accomplishments:

- Training: “Shifting the Lens: Practical Applications of Trauma-Informed Care,” focused on the practical application of a trauma-informed approach for a broad range of human services professionals.
 - [Trauma-Informed Engagement simulation](#) game
- Family and Youth led committee created a [story-based resource on trauma reactions and resilience](#)
- Created a steering committee to develop Trauma-Informed Standards of Practice for DHS
- [Trauma Conversation Tip Cards](#) for direct care staff
- [Trauma Resource Library](#)

PA state's early warning system dashboard

(<https://www.health.pa.gov/topics/disease/coronavirus/Pages/Monitoring-Dashboard.aspx>).

LISC Vaccine Access Fund

- LISC is providing grants to 501c3 partner organizations to coordinate free rides to vaccination sites for residents who cannot get there on their own.
 - Funds will cover the cost of Uber rides, staffing, and other operational costs.
 - Partners are expected to coordinate rides for at least 250 people.
 - Riders do not need to have a smart phone, credit card, or Uber/Lyft app.
 - The program will run through December 31, 2021 (whereas free ride offers directly through Lyft and Uber extend only through July 4th)
- To view the guidelines and apply, visit the [Overview](#) and [Intake Questionnaire](#)

Vaccine Transportation Options for Individuals

- Call 2-1-1 to access:
 - Free transportation to an ACHD clinic through ACCESS for those aged 65+, MATP eligible, or with mobility needs
 - This option may provide the best vehicle fit for those with mobility needs
 - Free transportation to any vaccination site through Ride United partnership with Lyft
- Open the Uber app and tap “Vaccine” for \$25 off each of up to four rides (first and second doses) through July 4th
- Open the Lyft app and enter code LYFTVACCINE for \$15 off each of up to two rides through July 4th

Pop-up Vaccination Opportunity

- Squirrel Hill Health Center is looking for indoor or outdoor locations for pop-up vaccination sites
 - Mobile Unit is available for outdoor sites
 - Offerings include one- or two-dose vaccines (J&J or Moderna), evening & weekend hours depending on availability
- If you are interested, please contact Emily Magoc
EMagoc@squirrelhillhealthcenter.org

Please Submit Uncovered COVID-related Expenses

Please submit these expenses into MPER no later than 7/8/21

Expenses must be incurred between 7/1/20 and 6/30/21

All expenses submitted will be reviewed by the DHS compliance unit

Supporting information can be sent to Lisa Impavido
lisa.impavido@alleghenycounty.us

Submitted expenses are not guaranteed to be paid

Payment is also dependent on availability of funding

Lost revenue cannot be considered
